To Whom it May Concern

It gives me great satisfaction to recommend Mr. Craig Williamson. I met Mr. Williamson a couple of years ago when he came to Costa Rica as Director of Sales of the most prestigious hotel and resorts chain Four Seasons at their resort in Papagayo, Guanacaste, Costa Rica.

Mr. Williamson is a professional in his area, extremely meticulous with his work. I've received many compliments from his and my customers who rely on his experience and knowledge in Real Estate.

He is an innovative self-starter, punctual and typically exceeds expectations and has admirable work ethics. He is also organized, efficient, extremely competent, and has an excellent rapport with all kind of people.

If you'd like to discuss his attributes in more detail, please don't hesitate to contact me.

Sincerely,

Andrés Montejo M. M.LL
