

## The Doit Foundation

Helping Costa Rica's Less Fortunate Help Themselves.

To whom it may concern,

I met Craig Williamson in early 2004 shortly after his arrival here in Guanacaste. He had been chosen as the Director of Sales for the most prestigious property in Costa Rica, Four Seasons on Peninsula Papagayo.

Craig stopped in our new Real Estate office in his efforts to acquaint himself with sources for market data. Our first meeting however, was by phone the following day and lasted 2 hours. It was clear to me at that time he had considerable Real Estate knowledge and experience.

In the last two and a half years, I have been able to call upon our friendship and he has been very helpful in an advisory capacity with regard to my various Real Estate Developments in Guanacaste. I appreciate that Craig takes a direct, honest, disciplined and conservative approach to business. I recommend him absolutely.

As an aside, Craig also sits as one of the Directors on the Board of our charitable organization called "The Doit Foundation".([www.doitfoundation.org](http://www.doitfoundation.org)).

Please feel free to contact me directly if you have any further questions regarding this matter.
